## How to reach Brno:

Arriving Brno by air: To reach Brno maybe you can find a direct flight to Brno airport (Brno – Turany BRQ). There are flights operated by [Wizz Air](#), [Ryanair](#), [Czech Connect Airlines](#) or [UTair](#). From Brno-Turany airport just hop in bus 76 and it will bring you to the main junction downtown. Single fair is 25 CZK (ticket for one hour unlimited travelling, it is enough to reach the campus).

Arriving by coach or train: Or you can land in Prague or Vienna. From both Prague (Ruzyne airport PRG) and Vienna (Schwechat airport VIE) there are shuttles available to Brno directly from the airport (Student Agency <http://www.studentagency.eu/>, information on different air coaches).

From Prague to Brno you can go also by train (Super City train goes 5 times a day, fast train almost every hour <http://www.cd.cz/en/default.htm> ). From Vienna you can take also fast SuperCity train (called Pendolino) to Brno (it is around two hours journey).

From city centre to Mendel University: All shuttles, trains or bus 76 arrive to the main junction in the city centre of Brno. From this place take tram No. 2 towards “Stara Osada”, get off on third stop and take tram No. 9 or 11 towards “Cerna Pole”. This tram will bring you to stop Zemedelska (Mendel University HQ – it is in total 7<sup>th</sup> stop) or to stop Bieblova (Academia accommodation – it is in total 9<sup>th</sup> stop). Single fair is 25 CZK (ticket for one hour unlimited travelling)

In any cases you can contact me and I will try to do my best to assist you on:

For any reason my cellular number is **++420 606 187 952**.

Currency: In the Czech Republic we use Czech crowns (CZK). The ratio is about 1 EUR = 28 CZK. In some places you can pay with Euros, but be careful of the exchange rate offered.

Meals and drinks: Generally Czech Republic is quite cheap for people from abroad. Beer is about 1 Euro in pub, main dish in restaurant is about 10 Euros. **If you require special diet (vegetarian etc.), please, let me know ahead to organize it.**

Culture and language: Historically, not so many people are able to understand English, but fortunately the number is increasing (mainly because of young generation). People are generally friendly, trying to help you if you will ask for a help.
